**Dream, dance and sing along** to your favourite songs. The Private Sound of Maria Tour features an extraordinary LIVE SHOW with professional singers at the original filming locations in Salzburg and the nearby Salzkammergut Lake District.

You'll hear some of the greatest hits like "The Hills are Alive", "Do-Re-Mi" - and of course, the ever-popular "Edelweiss". You'll feel the meaning of these memorable melodies even more intensely when you're surrounded by the enchanting atmosphere of Salzburg's picturesque landscapes.

## Hotel Pick-Up

### 1. HOTEL PICK-UP

The tour starts after a personal and musical welcome from our entertainers Dana Hammett and Dmitry Logman directly at your hotel.

### 2. SCHLOSS LEOPOLDSKRON

Front of the Trapp family's villa. Scenes for songs like "Edelweiss", "The Lonely Goatherd", "So Long, Farewell" and "My Favorite Things" were shot here.

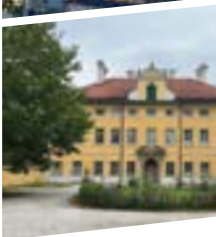

### 3. NONNBERG ABBEY

This is where the story began. In the film, this nunnery served as the backdrop for the scenes for the song "Maria" and "I have confidence".

### 4. FROHNBURG PALACE

This is where Maria danced along the tree-lined Hellbrunner Allee to the song "I Have Confidence".

### 5. GAZEBO

The romantic love scene between Maria and Georg was filmed inside it, as well as the scene for the song "Sixteen Going on Seventeen".

### 6. LAKE DISTRICT

The fabulous scenery around the lakes, where "Do-Re-Mi" was shot, also served as the backdrop for the aerial shots at the beginning of the film.

### 7. WEDDING CHURCH

This is where the beautiful basilica stands in which Maria and the Baron von Trapp said, "I do" in the wedding scene.

### 8. MIRABELL GARDENS

This is where the scenes were filmed featuring Maria and the children singing the song "Do-Re-Mi" as they danced around the Pegasus Fountain.
